

Behavioural Leadership Conference

Talk Synopses - 18th May 2022

Doors open at 8am for an 9am start. The conference will close at 3.15pm

Speaker	Talk Synopsis
Andrew Bull Arcadis	How to Bring 'Failing' Projects Back Around Andrew will share personal lessons and experiences from some of the largest and most complex UK infrastructure programmes. He will provide practical steps to analyse various modes of failure and simple strategies to improve project performance.
Arne Knaben Volvo Construction Equipment	Culture Eat Process for Breakfast Inspired by a career spent travelling the world, Arne will share pivotal moments that have influenced his perspective, style and approach to building and maintaining a culture wherever you are.
Bruce Faulkner 3 Simple Rules	Hijacked And Turned Into A Buzzword Frustrated by other people's behaviour? Want to learn how to escape the traps and chaos that others create? Bruce will share how he uses a simple "say and do" definition to make the word 'behaviour' useful again.
Cat Cliffe Octavius Infrastructure Ltd	It's Not Easy Being A Sustainable Leader Cat will explore some of the challenges presented by going green and delivering sustainable outcomes in the construction industry; discussing how leaders need to exhibit curiosity, collaboration and clarity to influence the ways in which long-term sustainable solutions are developed and delivered.
Garry Sanderson Visualyze Solutions	Do You Suffer From Back-to-Back Pain? Fuelled by COVID-19, many of our calendars are chronically infected with back-to-back meetings, to perhaps concerning levels. What does this mean for us and what can we do about it?
Howard Lees Hollin	The (Mostly) Positively Reinforcing Workplace Howard will describe in simple terms how his ambition for positively reinforcing workplaces can be realised without too much blood sweat and tears!
Joanne Benjamin and Rachel Edwards Hollin	Psychological Safety Rachel and Joanne will run an interactive exercise focusing on psychological safety.
Sam White Costain	Taking the Plunge When we are plunged into an unsettling scenario, fear can set in and cloud judgement. Sam will focus on how to engage leadership behaviours to turn an overwhelming situation into one of calm and order. He will provide advice about rising above adversity, remaining true to your authentic self and engaging the key characteristics of leadership: trust, resilience, and patience.
Tommy Taylor; Sale Sharks	Feedback Lessons from Professional Sport Tommy will be discussing feedback in professional sport - including some dramatically differing environments - and how the act of receiving feedback became a key focus for him.
